About Us

Founded in 2002, St Louis is profoundly committed to endowing young Cameroonians with specialized competencies in various; medical fields, agriculture, engineering and technology. Without the slightest sense of contradiction, we stand tall as leaders and pathfinders in professional education in our community.

- › **Developing and maintaining top-notch training programs for outstanding results.**
- › **Observing high ethical standards and focusing on integrity character and excellence.**
- › **Putting a high premium on skills transfer and pragmatism**

Vision Statement

St Louis Group is driven by a shared purpose: to make a better world through education, research, and innovation. We are flexible, yet, focused and obsessed with quality professional education.

Hence St LOUIS is committed in:

- › **Contributing to the health and well-being of the community by providing excellent, holistic and evidence-based professional training.**
- › **Enhancing our intellectual and technological environment to foster exceptional professional knowledge & competencies in engineering technology and agriculture.**

Our Mission

Our mission is to train youths in health, agriculture, engineering and technology that will best address health, hunger, and technological challenges locally and globally in the 21st century. We seek to develop in them, the ability and motivation to work wisely, creatively, independently, and collaboratively to achieve set goals and objectives

A- Faculty of Health & Biomedical Sciences

PROGRAMMES

Higher National Diploma (HND)-3 YEARS

Brevet Des Techniciens Supérieurs(BTS)- 3 YEARS

TOP-UP BACHELORS -1 YEAR

DIRECT BACHELORS -4 YEARS

MASTERS -2 YEARS

1- HND & BTS

- **Nursing**
- **Midwifery**
- **Medical Imaging Technology**
- **Medical Laboratory Sciences**
- **Pharmacy**
- **Physiotherapy**
- **Dental Therapy**
- **Nutrition & Dietetics**

- **Sciences Infirmières**
- **Sage Femme**
- **Radiologie et Echographie**
- **Kinesitherapie**
- **Technologie Pharmaceutique**
- **Therapy Dentaire**
- **Science de Laboratoire Medical**
- **Nutrition et Dietétique**

Entry Requirements:

Nursing and Midwifery; A pass in any 2 A-Level Subjects excluding Religious Studies OR Bacc A, C,D, G1 & G3 for BTS

Technical Departments; A pass in any 2 A-Level Science Subjects

Campuses

DOUALA

Bonabéri

(Carrefour Mutzig)

Ndogpassi

(Opposite Pharmacy Shell)

Bonamoussadi

(Rond-Point Meiteur)

YAOUNDE

Simbock

(Depot du Bois)

Ngoussou

(Opposite HGOPY Hospital)

BAMENDA

(Mile 3 Nkwen)

BASIC REQUIREMENTS for Douala and Yaounde ONLY

ITEMS A

- **Two Pairs of Hospital Wears**
- **Two Pairs of Daily (2 White Shirts) Uniforms Plus A Red Tie**
- **Internship Fees**
- **Student Union Dues**
- **A Blood Pressure Machine and A Stethoscope**
- **Laboratory Practical sessions**
- Lecture Notes for the Academic Year**

ITEMS B

- **School T-shirt**
- **Anatomy and Physiology Textbooks**
- **Hospital Footwear**
- **Personal laptop**
- **Thermometer**
- **Theatre Wear (a pair)**
- **Medical Dictionary**

NB: All Items will be purchased by the students through suppliers engaged by the institution to ensure uniformity and reduced cost.

HND FINANCIAL REQUIREMENTS

Douala & Yaounde Campuses

ITEM	LEVEL 100 (XAF)	LEVEL 200 (XAF)	LEVEL 300 (XAF)
Yearly Tuition	585,000	500,000	500,000

Our NCUK Partnership

International Study Programs

CAMPUS

DOUALA-BONAPRISO
LLE 942 RUE NJO NJO

St. Louis University Institute has partnered strategically with NCUK, a UK-based educational organization. NCUK works with a global network of over 60 prestigious universities in the UK, USA, Canada, Australia, and New Zealand to create international pathways for students.

The agreement was officially signed at the British High Commissioner's residence in Bastos, Yaoundé, marking a significant milestone for both institutions and higher education in Cameroon.

Challenges Faced by Students Seeking Foreign Education

Many students in Cameroon and similar regions face numerous obstacles when trying to access top global universities. These include:

High academic requirements and intense competition for places.

Expensive tuition and living costs in foreign countries.

Age concerns, as many students finish high school at 16 or 17, making it risky to send them abroad alone.

Visa difficulties, which often delay or prevent study abroad plans.

NCUK & SLUI Solution & Local Implementation

Students study the first one or two years of their university program in Cameroon, then transfer to an NCUK-affiliated university abroad to complete their degree.

This model allows for:

- Up to 2/3 reduction in tuition and living costs.
- A smoother cultural and academic transition.
- A globally recognized qualification without the initial burden of international relocation.

International Foundation Year

Students who do not meet direct entry requirements due to low GCE/BACC grades, language barriers, or gaps in core subjects can enroll in the Foundation Year program.

This one-year course:

- Reinforces academic skills in subjects like math, science, and English.
- Prepares students for the rigorous standards of UK and international universities.
- Is recognized as equivalent to A-levels, SAT, and other global university entry qualifications.

Direct Entry Requirements

Students with GCE Advanced Level or Baccalaureate results can be admitted directly into the first year of university studies. This fast-track pathway enables students to complete their degrees efficiently while still enjoying the cost and logistical benefits of beginning their education in Cameroon.

They bypass the Foundation Year and move into programs such as:

- Law
- Business Management
- Engineering
- Computer Science
- And other core academic fields

Students who hold an HND, BTS, SRN, or similar qualifications can enroll in a 30-week program with us, after which they will be eligible to apply for Master's degree programs at our partner universities."

Programs Offered & Future Expansion Plans

YEAR ONE:

Current programs include:

- Law
- Business
- Electrical and Electronic Engineering
- Computer Sciences

In the pipeline:

- Medicine
- Pharmacy (Pharm D)
- Dental Surgery

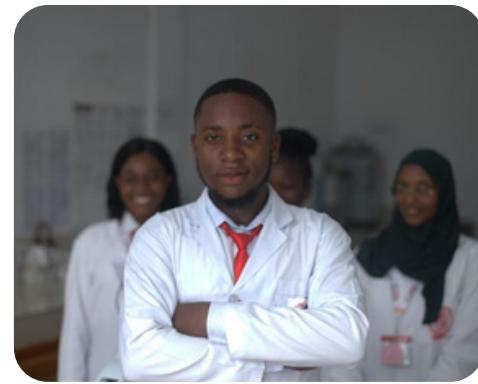

There's also room for the introduction of Creative Arts and other fields that align with national development goals, depending on student demand.

St Louis Scholarship Concours

SALUCON 2025/2026

Registration Requirements

- Photocopy of birth certificate
- Photocopy of ordinary level certificate or slip,
- Photocopy of advanced level certificate or slip.
- Photocopy of transcripts for students with BACC.

APPLICATION PROCESS FOR ALL CANDIDATES

- Go to www.slui.org
- Click on **Apply now**
- Pay platform charges
- Select Campus, Faculty & Program
- Fill Application Form
- Pay application fee
- Download completed Application Form
- Submit to the secretariat at any Campus
- along with other required documents

REQUIRED DOCUMENTS

1) For HND/BTS/Direct Bachelor's

- Photocopy of Birth Certificate
- Photocopy of National ID card
- Photocopy of A'Level/Bacc certificate/slip
- 2 Reams of A4 Paper
- 5700XAF as registration fee to be paid upon completion of online registration

2) For Top-Up Bachelor's

- Photocopy of HND diploma
- Photocopy of Birth Certificate
- Photocopy of National ID card
- 2 reams of A4 paper
- 10,200XAF as registration fee to be paid upon completion of online registration

3) For Master's Degree

- Photocopy of Bsc attestation
- Photocopy of Birth Certificate
- Photocopy of National ID card
- 2 reams of A4 paper
- 10,200XAF as registration fee to be paid upon completion of online registration

ADMISSION CRITERIA

1. DIRECT ENTRY FOR ALL PROGRAMS (No Concours or Competitive Exams)
2. Students admitted through the Public Health Entrance Exams

HIGHER NATIONAL DIPLOMA (HND) PROGRAMS

Year 1 (Level 100)

- All prospective students seeking admission must be holders of the GCE "A" Level in at least 2 papers, BACC certificate or their equivalents excluding Religion.
- NB: All Art students and holders of BACC G1, G3 & A can only be admitted for Nursing, Midwifery, Nutrition & Dietetics or Agriculture programs.

Year 2 (Level 200) & Year 3 (Level 300)

- All transferred cases from recognized institutions are considered on individual basis.

BREVET DES TECHNICIENS SUPERIEURS (BTS)

- Minimum entry requirement: BACC A, C, D, G1 & G3 certificates

BACHELOR'S DEGREE PROGRAMS

- Minimum entry requirement: HPD, HND, BTS or their equivalents.

MASTER'S DEGREE PROGRAMS

- Minimum entry requirement: Bachelors, Licenses or their equivalents.

INTERNATIONAL PROGRAMS

- Minimum entry requirement: GCE "A" Level or a BACC certificate with at least 3 Science subjects.
- NB: Admitted candidates must complete a one-year Foundation Program.

WORK OPPORTUNITY

GERMANY, UK, USA, ETC ON COMPLETION OF OUR BRIDGE PROGRAM
